SPONSORSHIP GIVES YOUR ORGANIZATION INCREDIBLE EXPOSURE TO AN AUDIENCE OF PROFESSIONALS, INCLUDING TOP DECISION MAKERS IN THE INDUSTRY. CONTAINED IN THIS SPONSORSHIP PACKAGE ARE A NUMBER OF DIFFERENT LEVELS FOR SPONSORSHIP WHICH COME WITH A HOST OF BENEFITS AND OPTIONS, ALL OF WHICH ARE PRESENTED FOR YOUR CONSIDERATION.

Tailor-made packages are available on request.

“CIC...Building connections for businesses in the Building Industry.”

2019 CONSTRUCTION OUR INVITATION TO BECOME A SPONSOR INDUSTRY CONFERENCE

HERE ARE A FEW OF THE INDUSTRIES WHO CAN BENEFIT FROM SPONSORING

► General/Prime Contractors ► Construction Suppliers ► Developers ► Real Estate
► Sureties ► Computers ► Clothing ► Software ► Government ► Insurance ► Municipalities
► Automotive & Trucks ► Banks and Financial Institutions ► Colleges & Universities

We are pleased to invite your organization to participate in the 7th Annual **Construction Industry Conference (CIC)** **Wednesday, October 23, 2019 in Chicago, IL.** **CIC** has become an important event for targeting business owners who recognize the value that is provided through their participation.

This conference serves the needs of a huge number of construction and professional services businesses who attend looking to connect with firms like yours.

CIC provides best practice approaches for construction, architecture, design and engineering business owners and their key staff to equip them with procedures and tactics to operate their businesses more efficiently. **CIC** also provides insights on how to identify, bid on and secure government, private sector and prime contractor contracts.

If your organization sells products and services or has procurement opportunities, you'll want to be sure to exhibit at the **2019 Construction Industry Conference (CIC)** where hundreds of business owners and key managers in the construction industry will attend.

The one-day conference offers **Procurement Opportunities, Education Sessions, Networking Activities, an Exhibit Floor** and **Private Engagement Sessions.**

The conference is an excellent resource for primes, developers and project owners to provide in-depth discussions on **Upcoming Opportunities.** The time allotment is based upon the number of hours you, as a sponsor, would like to reserve. **CIC** will market your presentations through our marketing program. We urge you to use this forum to make these opportunities known to attendees.

The **Private Engagement Sessions** appointments run at various times during the day allowing attendees to spend vital one-on-one time with participating organizations. These sessions allow at-

tendees to begin a dialogue opening the door for the formation of future business relationships. We invite your organization to participate in these sessions where you can meet and engage with a variety of different firms. You will find a place on the **Commitment Form** at the end of this package where you can indicate your interest in participating. Any firm interested in connecting with firms attending this conference, should participate in the Private Engagement Sessions. Additional information can also be found on our website.

Through your **Participation**, your organization will benefit from exposure to this highly interested audience in an informational environment, away from the competition of everyday distractions. This **Sponsorship Package** outlines a variety of options for your firm to participate and have a great presence before and during the conference.

We look forward to hearing from you to further discuss your organization's participation in the **2019 Construction Industry Conference.**

I can be reached at **(312) 436-0301** or via email at **sfstantley@contractoradvisors.us** to address any questions.

Warmly,

Suzanne F. Stantley

Suzanne F. Stantley
CEO/Principal/Director

2019 CONSTRUCTION THE VENUE INDUSTRY CONFERENCE

Construction Industry Conference (CIC) is a business conference designed to engage owners and key personnel within the construction industry and aligned professional services sectors.

The one constant of a free market economy is that customer preferences and demand drivers will continuously change. It is important to recognize the trends that ultimately shape the market, understand the impact they will have on business, and develop a proactive strategy to address the current market and prepare for the future. In today's market, some contractors are struggling to grab a foothold while others are gaining traction, building backlogs, running profitably, and gaining new areas of specialization.

The **Construction Industry Conference** supports the needs of these businesses by keeping them abreast of the newest concepts and processes to assist them in operating more effective businesses. There is no other more comprehensive resource available devoted to improving the operational skills and management acumen of these burgeoning businesses.

For the 2nd year, the conference will be held at the **Studio Movie Grill Entertainment Complex** which affords us the benefits of being hosted at a world class entertainment facility that offers many distinctive attributes that will make attendees experiences far different than at any other event of its kind.

The conference will continue to offer 1st rate learning for attendees, as our workshops will be held in one of the incredible studios conveniently adorned with large plush chairs with swing back arms, making the learning experience more enjoyable than one could imagine. Presenters information will be optimized on a vibrant multiplex screen. When coupled with the large stage in the front, the flow of information will be nothing less than spectacular. There are a variety of other areas in the complex that will add to the conference experience and leisurely networking opportunities.

The large parking area offers **free parking** for all while serving as a **demonstration area** for exhibitors desirous of providing a hands-on experience for attendees.

The conference goals are:

- Provide an environment where businesses, suppliers and vendors can interact.
- Provide businesses with information, concepts and processes to assist them in operating more effectively and efficiently.
- Assist businesses in understanding how to seek out contracting and procurement opportunities and understand the nuances of this process.
- Assist businesses in forging working relationships between general contractors, contracting officers, project owners and suppliers.
- Encourage formation of working relationships between attendees.

Why Your Firm Should Exhibit

- Opportunity to engage targeted business owners and key managers at your exhibit area, during networking occasions or during private engagement sessions.
- Opportunity to introduce and demonstrate your products and services to attendees.
- Opportunity to sell your products and services, as on-site selling is permitted.
- Opportunity to identify partners for current and upcoming programs or projects.
- We will execute an on-going targeted attendee marketing campaign to more than 30,000 prospects for several months, with increased frequency, as we get closer to the conference.
- Company logo listed on the official conference website and conference schedule given to all attendees onsite.

Complete details and benefits provided for your participation are found in the following Sponsorship levels.

2019 CONSTRUCTION THE CONFERENCE AREAS INDUSTRY CONFERENCE

PANELS AND WORKSHOPS

Provides best practices insights to construction and professional services firms on a host of construction industry disciplines, expand their knowledge and equip them with processes and strategies to operate more efficient businesses.

NETWORKING

Networking is great for sharing ideas and knowledge among peers, clients and others. Whether it's asking for feedback or discussing your point of view, it will help to see things from another perspective. Participants may find the next firm to team or joint venture with.

EXHIBIT FLOOR

The exhibit floor allows your firm to interact and engage with attendees throughout the day. The Exhibit Floor is free and open to all attendees.

VANGUARD AWARDS

This ceremony recognizes an individual/s who have consistently worked to provide opportunities for M/W/D/V firms and who have made a difference in this regard. More details inside. This event is open to all conference attendees.

PRIVATE ENGAGEMENT SESSIONS (PES)

PES allow attendees to spend one-on-one time with exhibitor representatives, away from the exhibit floor. These encounters allow attendees to begin a dialogue opening the door for the formation of a future business relationship.

UPCOMING OPPORTUNITIES PRESENTATIONS

Participating organizations discuss their upcoming projects and how construction and/or professional services firms can participate.

CEO PANEL & LUNCHEON

When the top person in the organization presents a message, it generally is one that can be expected to be adhered to. This occasion brings in senior level execs to discuss their firms plans and their support of diversity and inclusion. The invitation only CEO luncheon happens just prior to the talk and gives invitees an opportunity to meet the CEOs face-to-face.

 These are special events.

2019 CONSTRUCTION SPONSORSHIP LEVELS INDUSTRY CONFERENCE

Expand your brand or company's visibility and recognition by becoming a sponsor of the 2019 conference. Being a sponsor connects your company with every aspect of the Conference.

Benefits Associated With All Sponsorship Levels.

Conference Bag Supporter (3 slots available) - \$2,000

- Logo on outside of conference bag.
- Company literature included in conference bags (up to five pieces).
- Two exhibitor badges.
- Two lunch tickets.
- One exhibit table.

2019 CONSTRUCTION VANGUARD AWARDS INDUSTRY CONFERENCE

The **VANGUARD AWARDS** recognizes an individual/s for their efforts in inclusion and diversity in the building sector.

While **CIC** looks to connect diverse firms with general firms, the **VANGUARD AWARDS** looks to recognize the efforts made to bring this about for their firm. The recipient could be from government or the private sector. Starting in June of 2019, a campaign will begin to identify candidates to receive this distinction.

A ceremony will be held at the conference which will bestow the award followed by a reception. All attendees of the conference will be invited to attend the ceremony.

The 2018 honorees were, **Paul Kovacs** and **Gustavo Giraldo** of the Illinois Tollway Authority. These individuals were heavily involved in establishing and managing programs and efforts to ensure the inclusion of minority, women and veteran firms in the Illinois Tollway \$14 billion "Move Illinois" expansion program.

This ceremony will consist of the following activities:

1. A short video presentation
2. Presentation of the award
3. Meet and Greet with lite refreshments.

We are inviting your firm to become a supporter.

VANGUARD AWARDS SUPPORTER
Commitment Deadline: October 1, 2019
(Up to 3 Supporters)

COST: \$2,000, add \$500 for an exhibit table

BENEFITS:

- Name mention that ceremony is being hosted by your firm on our Website.
- Logo on Ceremony signage onsite.
- Name mention in article in **Building Entrepreneur** magazine regarding the **VANGUARD AWARDS**.
- Opportunity to make 2 minute comments during the Ceremony.
- Two full paid admissions to conference.
- Two **VANGUARD AWARDS** Supporter badges.
